Commander's Corner

A reminder that drill attendance is crucial for both Cadets AND Officers. Cadets need to get coursework completed and need to work on bringing friends to drills. Remember if cadets recruit at least 3 friends then you get a free training and you also get the recruiting ribbon for each person you get to join! We also need to start planning on Summer Advance Training. Summer AT at Camp Williams is slotted for 23-30 JULY 22. All Cadets are eligible for Recruit Training. E1 (Seaman Recruit) and E2 (Seaman Apprentice) course work are required prior to training. Please reach out to me and we can discuss needs on an individual basis.

Cadet Stocks is eligible for Advanced Training
